

## Arkansas Natural Hazards Resilience Discussion

September 29, 2017  
The Record Downtown  
104 SW A Street  
Bentonville, AR 72712  
12:30pm-3:00pm\*

\*Immediately following the Arkansas Chapter of the American  
Planning Association (APA) conference

Meeting Goals: *To facilitate the conversation for how emergency managers and planners can collaborate as well as to increase awareness of how local climate data can be utilized in planning and hazard mitigation efforts in Arkansas.*
